

My Christmas Memory

Christian Thompson

To all Christmases, to all a good night,
To santa claus, he goes
Up, up, up then down, down, down.

To an evening's end
Midnight comes a clear of Jesus Christ
He was born
The birth of Jesus is upon us!

Ho Ho Jolly to fragic
Him Him Holly Holly

Tang a ling ling lang
Comes a Jingle Bell ringing
Fa la la la la
Tra lo lo lo

To Santa Claus, his fame
To give the children toys
And give the teens electronics

They all deserve those
For those who behave.

And once a good night on Christmas
And a Christmas Dinner near you!
